Old Business

Wendy is continuing to research the library support license plate. Information learned so far: We must have 1000 pre-orders and our proceeds will be 10 dollars per plate. Because of the long process involved this item was tabled until more research can be done to insure the pre-order amount can be reached.

A new unified message will continue to be spread:

- **F**riends helping **F**riends
- **O**rganizational Support
- **G**rants and Awards
- **L**ove you Library
-

The blog is up and running and in need of articles or events. Please send any information you would like posted to Foglblog@gmail.com
